## Mahargha Kundu

## DATA ANALYST

Chennai, IN 600001 ♦ 8697607328 ♦ maharghakunduxe@gmail.com ♦

	Professional Summary —		
Results-driven Data Analyst with a p	roven track record at Newton School Of Coding, leveraging advanced		
Excel and SQL skills to produce imp	actful reports. Adept at data visualization and modeling, I enhance		
decision-making through insightful p	resentations. A collaborative team player, I thrive in dynamic		
environments, consistently optimizin	g processes for improved performance.		
	Skills —		
Data analysis	Data visualization and presentations		
SQL	Python programming		
Excel functions	Data modeling		
Tableau	Data science		
R programming	Machine learning
